

SEPTEMBER

A NOTE FROM YOUR TEACHER

Welcome to Preschool! We are so excited to be back in school and for you to be in our classroom. This month we will be working on classroom expectations and routines. We have a field trip to Scott's Orchard, on that day there will be no class, we will all meet at the Orchard at 9:15 AM

LEARNING HIGHLIGHTS

During September we will get to know one another in our "All About Me" unit. "Mat Man" will be introduced he helps us to learn the foundation to drawing and writing with big and little lines and curves.

Alongside of "Mat Man" we will be demonstrating and reviewing proper hand grip for using writing tools and scissors.

Our field trip to Scott's Orchard to pick apples is at the perfect time to start the alphabet with the letter "Aa". We will be tasting and graphing flavors of apples and using apples to make creative art.
