Our Classroom Community:

Happy December! All of our students did such a wonderful job at the Thanksgiving play! This is a very busy, yet short month. We will focus on engaging in Christmas activities and crafts, practicing our song for the Christmas Performance, and working on gaining independence with our preschool flip to get our coats on. We will continue to recognize and generalize our names with different name tags each month. This month, each student will create an elf name tag. We will also continue to practice cutting, tracing, and coloring. The literature we will read this month will focus on Christmas and the real reason for the holiday: Jesus and giving. Have a very Merry Christmas and a Happy New Year!
