Ms. Carol and Ms. Melanie - 4s Class

## Our Themes this month...

**Preparing for Christmas:** We will be focusing on the story of Jesus' birth, and we will be getting ready for our upcoming Christmas Play!

**Recognizing and making patterns:** We will practice recognizing patterns with Christmas themes!

**Letters and Numbers:** We will continue to review the letters and letter sounds that we have covered so far. Last month, we were introduced to a Question of the Day, where we placed our name in a column based on our answer to the question. The kids were excited to participate in counting up the answers, deciding which group had more/less, and even deciding how the totals would change based on changing their answers. This is another great opportunity to learn Sight Words, number recognition, counting, and even adding and subtracting!

**Bible Memory Verse:** Isaiah 9:6

"For unto us a child is born, unto us a son is given."
