

APRIL

Ms. Tracy and Ms. Jill's 4's Class

A NOTE FROM YOUR TEACHER

Bible verse of the month - "Every word of God proves true" Proverbs 30:5

LEARNING HIGHLIGHTS

Introducing letters "Rr", "li" and "Ee" and the number 20. We will be talking about the Earth and how we can recycle or reuse items to reduce waste, insects and watching ladybugs in our classroom's ladybug habitat grow from larvae to adult ladybugs and then releasing them as a class outside. We will be working on our art show project featuring Monet. Throughout the month of April we will be learning about estimation. There will be an estimation jar that will come home with your child and then be returned to school the next day.

CT ELDS SE 60.14 - show pride in accomplishments and abilities.
